Please use an existing account if you have one

- Use Forgot Password or Contact Us if Needed
- Email address and password can be changed after login

If you have **NEVER** had an account

- Use the “Create An Account” button
- Submit Form, Check Confirmation Email

A screenshot of the BEST Robotics National Registry login and account creation form. The form is divided into two main sections. The left section, titled "Already have an account?", is circled in red. It contains fields for "Email Address or Avatar Name" (with the example "smith") and "Password", both with icons for email and password respectively. Below these fields is a checkbox labeled "Remember My Email not recommended if this is not your personal computer". At the bottom of this section are "Login" and "Forgot Password" buttons. The right section, titled "Need a new account?", is also circled in red. It contains a paragraph of text: "If you do not have a BEST Robotics account, you can create one by clicking the button below. Only adults should create an account. Student: Ask your parent or guardian to create an account and then register you for your robotics team." Below this text is a "Create An Account" button.

# Confirmation Email

## After New Account Creation

### Didn't Receive the Confirmation Email?

**If using a school or work email address?**  
**Your employer (or other firewalls) MAY be blocking emails from @bestrobotics.org**

### What to do:

1. Contact your IT Department
2. Request that @bestrobotics.org domain be whitelisted so that you can receive the emails from the BEST National Registry
3. Contact Us if further help is needed
